

Domkal Girls' College

PROGRAMME OUTCOMES:

- 1) To understand the fundamental concepts in Geography.
- 2) Consider the skill development offered by the geographic studies degree as a component of professional paths in a variety of professions, including education, research, and administration.
- 3) Demonstrate your comprehension of maps and topographic sheets in order to examine the different elements of the area.
- 4) Develop the capacity to critically assess the larger network of spatial characteristics at different temporal scales, ranging from the global to the small.
- 5) Displaying a thorough and organized understanding of geography to address contemporary problems and their solutions.
- 6) Demonstrate your proficiency with the use of GIS, IRNSS, remote sensing, spatial statistics, cartography, and GIScience among other geographical research tools.

Course Code	Course Title	Credits	Course Outcomes
Department	Geography		
Class	Undergraduate Programmes in Geography (NEP 2023-2024)		
GEOG-M-T-1	GEOTECTONICS AND GEOMORPHOLOGY	6	<ul style="list-style-type: none"> · understand fundamental knowledge in Geotectonics and Geomorphology · obtain adequate knowledge on the internal structure, tectonic and structural evolution of earth, concept of Isostasy and earth's movements · acquire comprehensive knowledge of continental drift, sea floor spreading and plate tectonics theories · understand the dynamic nature of the earth surface processes, landforms and their evolution
GEOG-MI-T-1	PHYSICAL GEOGRAPHY	4	<ul style="list-style-type: none"> · understand fundamental knowledge in Physical Geography · obtain knowledge on the earth's interior, theories of continental drift and plate tectonics · understand fundamental knowledge of the earth surface processes, landforms and their evolution · acquire basic knowledge of atmosphere
GEOG-MU-T-1	DISASTER MANAGEMENT	3	<ul style="list-style-type: none"> · learn the basic concepts in disaster management. · understand the nature of natural and manmade disasters in India · develop strategies for disaster management to sustain social development
GEOG-SEC-P-1	BASICS OF COMPUTER AND COMPUTER APPLICATIONS	3	<ul style="list-style-type: none"> · gain knowledge of computer basics · develop their ability and skills in data management, data computation, data analysis and cartographic presentation · acquire internet surfing skills and enhance their ability to gain knowledge from the digital world
GEOG-M-T-2	POPULATION AND SETTLEMENT GEOGRAPHY	6	<ul style="list-style-type: none"> · acquire clear knowledge on fundamental concepts of Population and Settlement Geography. · familiarise with the development of Population and Settlement Geography. · understand population dynamics, nature of population growth and migration · acquire knowledge of population policies adopted in India and Sweden
GEOG-MI-T-2	HUMAN GEOGRAPHY	4	<ul style="list-style-type: none"> · understand the key themes of Human Geography · acquire knowledge of population in India with spatio-temporal context · understand the changing nature of population dynamics in relation to economic growth, social development and cultural change · build concrete ideas about human migration and different economic sectors

GEOG-MU-T-2	RURAL DEVELOPMENT	3	· understand the basic themes of Rural Development
			· understand the needs and approaches of Rural Development
			· understand the nature of Rural Economic Base
			· obtain knowledge about the provision of services to rural areas
GEOG-SEC-P-2	FIELD WORK	3	· acquire knowledge, skills and expertise to identify geographical issues
			· achieve skills and expertise to use various survey techniques and instruments
			· expertise in field-based data collection, analysis and presentation
			· prepare field report
GEOG-SI-T-1	SUMMER INTERNSHIP	4	· acquire knowledge about internship
			· achieve different type of skills
			· gain about practical knowledge of society and environment
			· helpful for future goal
