There is no rectification in this data.

Clarifications:

1. List of the running programs affiliated by the affiliating university, year-wise for the last five years.
2. Certified report from head of the institution /controller of examination of the affiliating university indicating pass percentage of students of the final year (final semester) eligible for the degree program- wise/ year-wise and highlight the relevant entries, as data must be countable for all the academic years for this metric.
3. Result sheet published by the affiliating university and highlight the relevant entries, with the proper sealed and signed.
