

DOMKAL GIRLS' COLLEGE DOMKAL; MURSHIDABAD

PARENTS TEACHER DISCUSSION HISTORY DEPARTMENT

DATE: 24/11/2022 & 15/12/2022

A parent-teachers meeting for 1st semester and 3rd Semester of History Department, Domkal Girls College was held on 24th November 2022 at room No. B/115, at 2.30pm to discuss the performance of students. Attendance rate of parents was quite good. The department of History took attendance registration.

It was a great interaction between the teacher and the parents for the development of their daughters/girls where they discussed both the strengths and the areas of improvements. Girls were asked to be sent to classes regularly, parents were asked to keep an eye on whether girls were studying properly at home. The parents expressed their worries about the future of the girls. But they said they are satisfied with the work/performance of the college and the department.

Parents Teacher Meeting in Second Phase on 15th December' 2022

Today on 15th December '2022 History Department of Domkal Girls College organized Parent-Teacher Discussion meeting in second time. Perhaps this discussion meeting was thought of because of anxiety and frustration about the future of female students and their studies. But the parents are disappointed. Mobile usage is out of control, indifference in studies, students are not able to clearly say what they like.

A parent said you are saying trust girls don't marry them. We are seeing a tug of war with freedom. If you want to live in society, you have to save honour by marrying.

But we are not satisfied with this answer. Corona pandemic has taken away their study habit and joy of reading. Maybe we don't understand their attitude. We know being a parent is not easy. But what is the way to make the future of students beautiful and secure?
