## Report on Career Counselling Programme

Date: 21.01.2020

Organized by: Department of Sociology in association with Career  
Counselling Cell and IQAC, Domkal Girls' College

Resource Person: Dr. Kaushik Chattopadhyay, Assistant Professor, Prof.  
Syed Nurul Hasan College

### Objectives of the Programme

1. **To Inform:** Educate students about the scope and relevance of sociology in contemporary society.
2. **To Motivate:** Encourage students to pursue sociology as a potential career path.
3. **To Clarify:** Address common misconceptions and doubts related to the subject and its prospects.
4. **To Connect:** Build a bridge between higher education institutions and schools, fostering collaboration and understanding.

### Programme Description

The career counseling session titled "Bharotiyo Upomohadeshe Somajtotter Chorchha O Somvabona" was an initiative by Domkal Girls' College to enlighten school students about the prospects of studying sociology. The event featured Dr. Kaushik Chattopadhyay, an esteemed academician from Prof. Syed Nurul Hasan College, who shared his insights on the relevance and future opportunities in the field of sociology.

The session began with a welcome address by Abu Emdad Muhammad Abdur Rakib, the Teacher-in-Charge of Domkal Girls' College. He highlighted the importance of understanding societal structures and changes, which forms the core of sociology. Dr. Kaushik Chattopadhyay then took the stage, presenting an engaging talk on the various dimensions of sociology, its application in different sectors, and the career avenues available to sociology graduates.

Dr. Chattopadhyay emphasized the interdisciplinary nature of sociology, illustrating how it intersects with subjects like economics, political science, and psychology. He provided examples of successful professionals who have leveraged their sociology background in diverse fields such as public policy, social work, education, and research. His session was interactive, allowing students to ask questions and clarify their doubts.

The programme concluded with a vote of thanks by Mr. Priyankar Das, who reiterated the significance of the session and encouraged students to explore sociology as a viable and rewarding career option.

### Strength

**Engagement and Interaction:** The interactive nature of the session, with ample opportunities for students to ask questions and engage directly with the resource person, was a key strength. This engagement helped in demystifying the subject and made the students more receptive to the information shared.

### Weakness

**Limited Scope for Practical Exposure:** While the session provided valuable theoretical insights, there was a lack of practical exposure, such as case studies or real-world examples, which could have further enriched the students' understanding.

### Opportunity

**Strengthening School-College Collaboration:** This programme presented a significant opportunity to strengthen the relationship between schools and higher education institutions.

Regular interactions like this can help in aligning school curricula with college expectations, preparing students better for higher education.

### Challenge

**Student Perception of Sociology:** One of the main challenges highlighted was the prevailing perception of sociology as a subject with limited career prospects. Overcoming this challenge requires sustained efforts to showcase success stories and real-world applications of sociology.
