### Programme Description

The "Rojgar Mela" was a career counselling programme organized by the Chak Islam Pur branch of the Life Insurance Corporation of India (LIC) at Domkal Girls' College. The event took place on 20th February 2020 and aimed to provide students with insights into the career prospects of becoming an LIC agent. The programme commenced with an inaugural speech by Abu Emdad Muhammad Abdur Rakib, the Teacher-in-Charge of Domkal Girls' College. He emphasized the significance of career planning and how events like these can play a pivotal role in shaping the students' professional futures.

Four officials from LIC attended the event, offering detailed presentations on the role and responsibilities of an LIC agent. They shared their experiences and success stories, illustrating how a career with LIC can lead to financial stability, job satisfaction, and personal growth. The officials highlighted the various benefits and opportunities associated with becoming an LIC agent, encouraging students to consider this career path.

The programme concluded with a vote of thanks by Mr. Priyankar Das, Convenor of the Career Counselling Cell at Domkal Girls' College. He expressed his gratitude to the LIC officials for their valuable insights and motivational talks, underscoring the importance of such events in guiding students towards promising careers.

## Strength

The primary strength of the programme was the engaging and motivational presentations by the LIC officials, which successfully captured the interest of the students and provided them with a clear understanding of the potential career path.

## Weakness

A noticeable weakness of the event was the limited time for interactive sessions. While the presentations were informative, the time for students to ask questions and interact with the officials was insufficient, which could have enhanced their understanding and interest further.

## Opportunity

The "Rojgar Mela" presented a significant opportunity for students to explore a career path they might not have previously considered. It opened doors for internships and part-time roles, providing practical experience in the insurance sector while continuing their education.

## Challenge

One of the main challenges faced during the programme was addressing the misconceptions and negative stereotypes associated with the insurance industry. Convincing students and their parents about the viability and potential of a career as an LIC agent required strategic communication and persistent efforts.
