2. **Samiran Sarkar**, ICTC Counsellor, Domkal SDH & SS Hospital.
3. **Asif Iqbal**, a member of the local NGO Gana Unnayan Parishad.

The guests were felicitated by the students with floral bouquets as a mark of respect. The session was hosted by Ms. Tagari Das, Assistant Professor of Domkal Girls' College.

Dr. Yusuf Rahaman conducted an interactive session, educating the students about the transmission, prevention, and treatment options for HIV/AIDS. His speech emphasized the significance of early diagnosis and the role of youth in spreading awareness.

Samiran Sarkar provided insights into the counseling and testing services available at ICTC centers, while Asif Iqbal shared real-life anecdotes to inspire collective action against the stigma surrounding HIV/AIDS.

The program concluded with a vote of thanks delivered by Mr. Priyanka Das, Programme Officer of the NSS Unit. A total of 102 students actively participated in the campaign.

## Strengths:

**Collaborative Approach:** The involvement of healthcare professionals, local NGOs, and the college ensured a well-rounded perspective on HIV/AIDS awareness.

**Student Engagement:** Active participation from the students showcased their interest and commitment to understanding the issue.

## Weakness:

**Limited Outreach:** The program's impact was confined to the college campus, leaving out the broader community that could benefit from such initiatives.

## Opportunity:

**Expansion of Awareness Campaigns:** This event has the potential to be extended to schools and other community spaces in Domkal to create a wider impact.

## Challenge:

**Overcoming Stigma:** Despite awareness efforts, addressing deep-rooted social stigmas and misconceptions surrounding HIV/AIDS remains a significant challenge.
