

Report on Activities for the Session: 2022-2023

Performed by

Domkal Girls' College, Domkal, Murshidabad & Mission Green Universe, Nowda, Debpur, Murshidabad, the MoU partners

- ❖ **Institution(s) under MOU:** Domkal Girls' College and Mission Green Universe
- ❖ **Date of agreement and duration:** 01.08.2022, 5 Years
- ❖ **Purpose of MOU:**
 - Establish a Seed-Bank Unit within the institution's designated space.
 - Coordinate a comprehensive tree plantation program both within and beyond the institution, actively engaging students in the process.
 - The MoU intends to conduct workshops on environmental topics to enhance students' understanding of ecological issues and promote sustainable solutions.
 - Facilitate year-round Green Campaign Programs in partnership with the Foundation.
 - Impart required training to the students of the institution towards preparation of saplings from seed and production of mushroom.
- ❖ **Activities Conducted:**

Activities	Date of Activities	Venue
Establishment of the 'Seed-Bank' Unit	08.09.2022	Domkal Girls' College, Domkal, Murshidabad
Workshop on World Environment Day	05.06.2023	Domkal Girls' College, Domkal, Murshidabad

❖ Outcomes:

- The MoU led to the successful establishment of a fully operational Seed-Bank Unit within the college's designated space, promoting biodiversity conservation and seed preservation efforts.
- Through collaborative efforts, a comprehensive tree plantation program was successfully executed both within and beyond the institution, engaging students actively in environmental conservation initiatives.
- Students received essential training in seed preparation, sapling production, and mushroom cultivation, equipping them with valuable skills in horticulture and agriculture, contributing to their personal and professional development.
- The MoU contributed significantly to promoting environmental sustainability and conservation efforts within the college campus and surrounding areas, aligning with the mission and values of both Domkal Girls' College and Mission Green Universe.
- Increased awareness and understanding of ecological issues among students, empowering them to adopt sustainable behaviours through Environmental Workshops.
