**Title: Contrasting Indian History: Past vs  
Present Perspectives**

**Speaker: Prof. Ganapathi Subbaiah  
Professor (Retired), Department of  
Ancient Indian History, Culture and  
Archaeology, Visva Bharati**

---

**Venue: Audio-Visual Room, Domkal  
Girls College**

**Date: 26<sup>th</sup> November ,2019.**

## Introduction:

In a thought-provoking session held at the Audio-Visual Room of Domkal Girls College, Prof. Ganapathi Subbaiah, a distinguished authority in Ancient Indian History, delved into the contrasting perspectives of Indian history lessons, comparing the past with the present.

- Contrast and Reflection:

Drawing comparisons, Prof. Subbaiah elucidated the stark contrast between the past and present approaches to Indian history lessons. While the former was marked by a Eurocentric lens and a narrative of conquest and dominance, the latter embraces diversity, inclusivity, and nuanced interpretations. He urged educators to transcend conventional narratives and foster critical thinking among students, encouraging them to question, analyse, and interpret historical phenomena in a broader socio-cultural context.
