

Resolutions and Action Taken:**Action Taken:**

- A specific date and time slot were allocated for marks uploading in the college computer lab.
 - All faculty members were informed about the schedule to ensure smooth and timely uploading of marks.
 - Technical support was arranged in the computer lab to assist faculty members during the process.
-

Action Taken:

- Faculty members were instructed to submit the print copy of the uploaded marks and the main copy of the award sheet to the Principal's office immediately after uploading.
 - A dedicated desk was set up in the Principal's office to collect and verify the documents.
-

Action Taken:

- Faculty members were advised to carefully review the uploaded marks and report any discrepancies or issues to the Principal's office in writing.
- A standardized format for reporting issues was shared with all faculty members to ensure clarity and completeness in the applications.
