# DOMKAL GIRLS' COLLEGE

Domkal, Azimganjagola, Murshidabad, West Bengal

## OUR VISION

*"If you want to shine like a sun,  
first burn like a sun"*

— A. P. J. Abdul Kalam

**Mr. Anisur Rahaman**  
Founder Member  
Domkal Girls' College

“

Our vision is based on hard work, open communication, a strong emphasis on teamwork and a high level of responsibility. This visionary culture allows and emphasises our wards not only to adopt the present-day challenges but also individual responsibilities to the society and our nation at large.

Learning should be based on doing things and not merely knowing things. Until and unless learning solutions relate to real life and motivate the learners to acquire and apply their knowledge, the whole process will remain superficial. Any educational institution worth its name looks to optimize the innovative idea of students. Our institution has set specific objectives and planned activities for achieving excellence in all spheres of education, research and innovation.

People who feel good about themselves produce good results and people who produce good results feel good about themselves. We believe in total learning and total sharing.

”

# PRINCIPAL'S MESSAGE

“

*"Destroying any nation does not require the use of atomic bombs or the use of long-range missiles. It only requires lowering the quality of education and allowing cheating in the examinations by the students."*

*Nelson Mandela*

”

I am elated to welcome all the students, teaching members, non-teaching staff and parents of the students on behalf of Domkal Girls' College (established in 2011). This Institution has committed itself to the goal of providing quality education to the students who generally come from relatively backward areas. This Institution is also keen on offering equal attention to the all-round improvement of the students and to provide them with adequate opportunities to develop their creative and artistic talents.

Our motto is to impart holistic education to our students, to make a complete person who enters this institution as a student. A majority of our students are not only economically backward but also first-generation learners. Apart from formal education we emphasise extracurricular activities as well. We believe one candle can lighten up several others. Nelson Mandela said, "Education is the most powerful weapon which you can use to change the world." Keeping this view in mind our faculty members attempt wholeheartedly to inspire the students. We believe that our students are a store house of talents and to polish and nurture this potential a lot of activities are arranged throughout the year. We are ready to help our future generation to build a 'brave new world' where compassion, harmony, fraternity, and empathy will reign supreme. I wish all the students a fruitful stay in the College and to extend the Domkal Girls' College family with the support of faculty members, members of the administrative staff, alumni, parents and other academic bodies with whom we collaborate. I firmly believe in the principle of harmony of all. If everyone marches ahead towards the goal of holistic education, then—

- Patients will never die at the hands of genuine doctors.
- Buildings will never collapse at the hands of properly educated engineers.
- Money will never lose at the hands of sincere economists and accountants.
- Humanity will never die at the hands of religious scholars. Justice will never lose at the hands of judges.

## ***HISTORY OF DOMKAL GIRLS' COLLEGE***

Amid a beautiful, green, pollution-free environment and far from the anxious hustle-bustle of the city, Domkal Girls' College is a blissful seat of learning located at Domkal, on the northeastern edge of Murshidabad district. The College, affiliated to Kalyani University, started its journey on the 23rd of February 2011. At the very beginning, the College continued its academic activities at the temporary venue of Domkal Bhavataran High School with a handful of female students and teaching and non-teaching staff. In 2015, the establishment was shifted to its new academic and administrative building situated in an expansive campus area of nearly 5 acres. With the unwavering support and proactive initiative of the Department of Higher Education, our institution has been providing a relentless service to promote higher education among the pupils who are residing in the locality. As a result, we always feel proud to acknowledge that the Government of West Bengal has made meticulous efforts to set up a Government-Aided college here in appreciation of the endeavours of Mr. Anisur Rahaman, a noble man who dedicated his life to the uplifting of the downtrodden people by providing them quality education. Keeping the bird's eye on the development of women's education, Mr. Rahaman eagerly came to the front to establish our beloved Domkal Girl's College at Domkal, one of the backward areas of Murshidabad. At present, the principal of this college is working hard to fulfil his aspirations with the tireless support of all and it is already on its way to establishing itself as a prominent educational institution in the state of West Bengal.

Everything is easy  
when you are busy,  
but nothing is easy  
when you are lazy.

— Swami Vivekananda

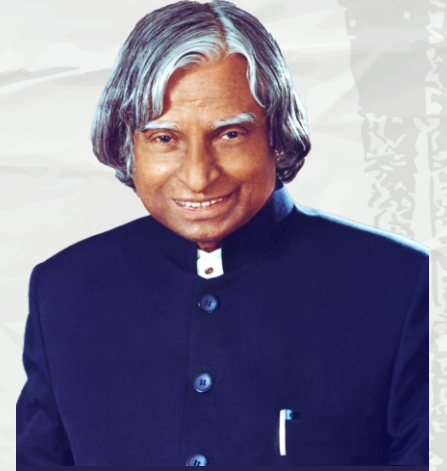

ভালোবাসা হলো একটি শক্তি  
যা পৃথিবীকে পরিবর্তন করতে পারে।

সুখী হওয়া খুব সহজ,  
কিন্তু সহজ হওয়া খুব কঠিন।

অন্ধের মতো কিছু না বুঝিয়া,  
না শুনিয়া, ভেড়ার মতো  
পেছন ধরিয়া চলিও না।  
নিজের বুদ্ধি, নিজের  
কার্যশক্তিকে জাগাইয়া তোলো।

— কাজী নজরুল ইসলাম

You cannot change your future,  
but you can change your habits,  
and surely your habits will  
change your future.
