Semester wise Comparative result analysis: 2020-2021:

Overall Observations for 2020-2021:

- In the academic session of 2020-2021, all semester students were qualified and they have secured above 60% marks and whose are known to advanced Lerner of the department.
- There was a considerable better result for the sem 1 & 2 than the other semester of the department, because of no. of students are higher in those semesters than the other semester.

Recommendations for 2020-2021:

- The students who did not qualify should immediately be put in remedial programmes.
- Work should be done with the moderate learners so that they may upgrade themselves to the advanced level.
- The advanced learners should be encouraged to maintain their levels and should be specially encouraged to take up masters in the future.
